Employability Skills Workshop

Let's roll again after the short festivities break with the extracurricular

workshops aimed at skilling our beneficiaries. This time round, Lidl Malta provided us with a workshop on employability skills

Annual General Assembly

In February, we came together for our Annual General Assembly, reflecting on the incredible work we accomplished over the past year.

From supporting those in need to growing our initiatives, none of this would be possible without our dedicated volunteers, staff, interns, and members and the general public who keeps supporting our movement.

Needs Support Programme

We would like to thank the Pembroke Local Council, Dr. Kaylon Zammit and Insta Store for their support of YMCA through our Needs Support Programme, an initiative that invites individuals and organisations to gather items of importance that we then distribute to our vulnerable clients and service users.

Thank you to all involved, we are very grateful.

Canadian Embassy Visit

In February, we had the opportunity to welcome representatives from the Canadian Embassy in Malta & Rome to showcase the process of assisting stranded non-Maltese individuals experiencing homelessness through our shelters in partnership with the Government.

Valentine's Day at YMCA

This year, for Valentine's Day, our residents were treated to a home cooked meal, supported by our staff and interns. The staff and interns also prepared multiple meals from our donations and froze the meals so that our residents have access to ready made meals throughout the weeks.

A big thank you also goes out to Farsons who spread the love this Valentine's Day to our residents living in our shelters.

Thank you, Farson's Foundation!

We would also like to pass on our gratitude to the Farson's Foundation for their support of our project to improve our shelter, Dar Niki Cassar. The Farson's Foundation will directly be financially supporting the renovation of our backyard, the introduction of waste management cabinets, our therapy garden, and the addition of plants at the shelter.

Thank you once again to the Farson's Foundation for their essential support. We truly appreciate it.

Thank you/Grazzi hafna
